**DANCE
POWER**
Competition

Dance is not about the medals,
trophies and prizes; it is about the
lessons learned and friendships
you make along the way.

Dear Friends of Dance Power,

Thank you for joining us at Dance Power for another amazing season of dance! We are thrilled to return to familiar cities and events where so many studio owners, teachers, and parents have become cherished friends over the years.

At Dance Power, we're proud to offer some unique features that make our events truly special:

You Make Me Feel Like Dancing Awards: Our judges recognize dancers who stand out during each session, celebrating their passion and talent.

Power Gold: At the end of each awards session, we honor performers or performances that earn an average mark of 95 and above.

Power Surge: Each of our judges has a 'buzzer' they can press to trigger a Power Surge whenever a group routine moves them and captures their heart.

Power Championships: Our thrilling 'dance-off' at the end of the event showcases the top group routines across four divisions.

We are especially excited to announce our 4th season of the group-focused competitive event – **POWER TO THE MAX™**, taking place at the iconic *Westin Resort & Spa, Whistler* during the May long weekend.

Please join us in the fall for **Power Dance Convention** being held once again in Winnipeg, Calgary and Vancouver.

As a team, we are continually learning from each event and every person we collaborate with. For over 30 years, we've had the privilege of working with hundreds of teachers, studio owners, judges, theatre staff, and thousands of dancers and dance parents. We are deeply grateful for everyone's continued contribution and support of our events.

Thank you for being part of this season. Please enjoy the performances, and let's cheer for every dancer, as they all give their best on the stage!

Warmest Regards,

Audience Etiquette

These guidelines were developed to help make everyone's Dance Power experience a positive one.

- Please do not move around the theatre during the performances. Please do not change seats, enter or exit the theatre during a performance. This is distracting to the rest of the audience as well as the performer(s).
- Please do not talk during performances.
- Please make sure your comments regarding performers are positive. When performers and their families overhear negative comments or unkind remarks it can be devastating. If you can't say something positive, please don't say anything at all.
- Absolutely NO FOOD OR DRINK are allowed in the theatre (unless otherwise stated).
- Applaud after every routine. It takes a lot of courage and hard work to perform on stage. Every performer deserves your applause.
- Please remain seated during the entire Awards presentation. We believe the competitors who danced last deserve the same recognition as those who danced first during the session.
- As a courtesy to the dancers and audience please turn off or silence all cell phones and devices.
- PHOTO, VIDEO and/or RECORDING devices will not be permitted during the competition performances. Any flash from a camera is distracting and hazardous to a performer, therefore the use of flash photography is prohibited. Photos and videos may be taken during the awards sessions ONLY. Please be respectful of those around you when you are taking photos and videos.

All times listed are approximate. We do our best to stay "on time" but extraordinary circumstances arise which are beyond our control. We appreciate your cooperation and patience if we are running behind schedule.

Dance Power reserves the right to run 20 minutes ahead of scheduled times.

DANCE POWER FAQs

We thought we would take this opportunity to answer a few of your FAQs so that you can have a better understanding of why we operate the way that we do. We take great care in listening to the needs of our clients and guests, but also want to ensure that we operate in a manner that is fair to all involved, ensures integrity and allows the dancers to give us their very best!

Darryl Hodgins, Director, Dance Power

1. Why aren't the studio names listed in the program?

We want to create an atmosphere that is fair to everyone. In addition, as an audience member, we think it is important that you watch the routines with a "clean slate" i.e., no pre-conceived notions on the quality of a routine. Every teacher and studio has something to offer and most studios today have many instructors on staff with a wide variety of training, experience and styles. It would be unfair to judge an entire studio by one or two routines that you see.

2. Many other competitions and festivals assign dressing rooms— why doesn't Dance Power?

We have chosen not to assign dressing rooms for many reasons including that each theatre or venue is unique and it would be unfair to choose which studios had the largest dressing room and which had to have the smallest dressing room. In addition, the number of routines that a studio has at the competition at any given time varies greatly and it would be unfair to assume that a studio would always need a certain sized dressing room throughout the event. We also believe it can help to minimize the competitive atmosphere and foster friendships amongst the dancers.

3. Why don't you run the event in order of age and division like others do?

We choose to run our events this way so that it allows for flexibility in our scheduling. By operating this way we can do our best to accommodate the various requests that we receive and we feel that it makes it more of a show atmosphere.

4. What is Dance Power's philosophy and how do you differentiate yourself from other competitions and festivals?

The company was formed in 1992 to promote healthy competition across Canada in a professionally run and fun atmosphere. To accomplish this we do the following:

- *Strive to be on-time throughout our events to minimize disruption to school and work schedules.*
- *We were one of the first to segregate our categories not only by age and discipline but by years of dance training in a particular discipline.*
- *To promote fair and equitable judging within the categories we divide groups not only by age, discipline and years of training but by the number of dancers within the group (i.e., small groups, large groups and lines).*
- *We feel it would be unfair for our judging panels to compare a group of 4-6 dancers with a group of 35 or more dancers.*
- *Create awards' sessions that are interactive, fun and relaxed.*

DANCE POWER **FAQs**

5. Does Dance Power contribute to any charities?

Yes, Dance Power strongly believes in contributing to children's charities and those organizations that affect families. We are a corporate sponsor of the Angels Anonymous Connection (www.angelsanonymous.org) which grants wishes to terminally ill adults. In addition, we have contributed to Breakfast for Learning, Kids with Cancer, Ronald McDonald Houses across Western Canada and the Daniel Ennett Foundation. In addition we regularly contribute and donate items to studio silent auctions and events.

6. How do you choose your judges?

We choose our judges very carefully and will only hire experienced judges. All judges must have training and knowledge of the core disciplines of tap, jazz and ballet. We also look for judges with further training in modern, national, acro and hip hop, etc. We are proud to say that we often hear how great our judges are and that they are fair. We instruct our judges to give constructive criticism but in a caring manner. We want the dancers to learn from their experience at Dance Power and use the comments as a tool to improve.

Learning to dance is a process which begins in the studio – we offer an opportunity to perform and grow as an artist. We strive to create a relaxed atmosphere so that the dancers can “give us their best” every time!

7. Does the director of Dance Power, Darryl Hodgins have any dance experience?

Darryl is a former dancer, dance instructor (12 years) and studio owner (10 years). He studied many disciplines including tap, jazz, ballet, musical theatre, national, drama and voice. He decided to pursue his education and completed his Bachelor of Arts and Commerce degrees at the University of Alberta. Dance Power was founded by three partners in 1992 and since 2002 Darryl has been the sole owner and director of Dance Power Enterprises, Inc. In 2018 he acquired and became the director/owner of Triple Threat Dance Convention Inc, now known as Power Dance Convention, Inc.

“The rare people who do become truly exceptional at something do so not because they believe they're exceptional. On the contrary, they become amazing because they're obsessed with improvement.

People who become great at something become great because they understand that they're not already great -they are mediocre, they are average -and that they could be so much better.”

– Mark Manson
